Computer Systems Engineering
Universidad Argentina de la Empresa (UADE)
2002 — 2016

LANGUAGES

Spanish — Native
English — Professional

Fernando Pérez
SOFTWARE ENGINEER

ABOUT ME

Software Engineer with 20+ years in the industry — since 2002. Focused on mobile development (particularly Android), delivering products across fintech, e-commerce, aviation, streaming, IoT, and retail. Collaborative, proactive, and committed to clean code and agile practices.

RECENT EXPERIENCE

REWE digital Apr 2025 — Present
[Senior Android Engineer](#) Málaga, Spain · Hybrid

- Building internal tools and customer-facing Android solutions for one of Germany's largest grocery retail platforms.
- Clean Architecture (MVI), Jetpack Compose, REWE Design System (RDS) integration.

Latch Nov 2023 — Apr 2025
